## Summary

---

Willing to find opportunities to explore new developments in tech, work upon diverse real world scenarios, and excel in professional and personal life.

## Skills

---

**Core:** Data Structures And Algorithms, Analytical and Critical Thinking

**Programming Languages:** C++, C#, Python, Java

**Web Development:** JavaScript, Node.js, Express.js, HTML, CSS

**Database Management:** PostgreSQL, MongoDB, Bash Scripting

**Software Development:** Agile, Scrum, Git, Github, Gitpod, VSCode, Jupyter Notebook, Anaconda, Debugging

## Projects

---

### Renewable360 ([GitHub Link](#))

- Tech Stack: MERN Stack
- Purpose: Provide a platform for the semi-urban area entities for finding out a suitable renewable energy source or a combination of energy sources. Connect with local sellers, provide product subsidies for cost efficiency.
- Contribution: Complete Project Planning ; Backend and Presentation

### Pre-trained Image Classifier ([GitHub Link](#))

- Tech Stack: Python, CNN
- Purpose: Correctly classify the pet (dog/not dog) and breed of dog. Determine the best CNN Architecture out of ResNet, VGG and AlexNet.
- Contribution: Complete Project

### Exercise Tracker ([GitHub Link](#))

- Tech Stack: Express.js, MongoDB
- Purpose: Make users database with exercises he/she performs with duration, dates and other details.
- Contribution: Complete Project

## Experience

---

### Trainee Software Developer — Weatherford International Plc.

July 2024 - Present

CygNet Thin Web Client Product

.NET , Agile

## Education

---

### Bachelor Of Engineering in Information Technology — University Of Mumbai

2020 - 2024

Grade: 8.78 CGPA

### Junior College (High School) — CBSE

2018 - 2020

Grade: 93.6%

College Rank 1

## Certification

---

### Backend And APIs [View Certificate](#)

Issuing Authority: FreeCodeCamp.org

Issuing Date: 17/04/2024

Representing approx. 300 Hours Of Work

### Relational Database [View Certificate](#)

Issuing Authority: FreeCodeCamp.org

Issuing Date: 05/05/2024

Representing approx. 300 Hours Of Work

### Foundational C# With Microsoft [View Certificate](#)

Issuing Authority: FreeCodeCamp.org

Issuing Date: 22/05/2024

Test Score: 73/80 (91.3%)

### Understanding Agile 2024 [View Certificate](#)

Issuing Authority: Udemy

Credential ID: UC-17dc67e0-e58d-478e-a858-72c5f00510fe

Issuing Date: 09/07/2024

### C# Beginners [View Certificate](#)

Issuing Authority: Udemy

Credential ID: UC-9d4548f2-6825-42c7-9d6e-70675801054a

Issuing Date: 18/07/2024

### C# Intermediate [View Certificate](#)

Issuing Authority: Udemy

Credential ID: UC-96340285-c146-49a2-838e-68a3366775a8

Issuing Date: 30/07/2024

## Accomplishments & Awards

---

### 3rd Prize - Hackathon (Algorithm 7.0 by AIKTC, Mumbai)

Date: 4/03/2023 - 5/03/2023

106 Teams
